

# Thy Kingdom Come

Thy kingdom come is a prayer initiative organized by the Church of England and it encourages us to pray in new and creative ways. It starts on Ascension Thursday and finishes on Pentecost Sunday. (We will not walk on the 2 Sundays so that people can be in their home churches praying for their community as part of their regular intercessions.

This year I am organizing 9 prayer walks, over 9 days, starting in each church of our team. I will meet at each church at 11.45am, except in Gt. Bromley where we will meet at 10am, in order to greet people and brief them on what we do. We will then spend a short time praying the Lord's prayer together and then we will head out to pray for our town/village. It will be very informal, no previous experience needed. Anyone can join in, those with pushchairs, walking sticks, or people could sit in church and pray for us who are out praying walking.

For more information please call ANITA BALL on 07757671002
